

## Beckington's Alpha Course

Beckington's Alpha Course was advertised through its Advent and Christmas services, and launched in the New Year in the neutral venue of the village school hall. We invited a speaker from ReSource - Rev. Prof. Roger Morgan, who was outstanding.

Food was provided by the local deli.

Around a dozen signed up to the Course, which was led using DVDs. At the last session, every single guest prayed a prayer of commitment to Christ, and a new follow-up house-group begins on May 1st.

Praise the Lord!
