

## **HOLIDAY BIBLE CLUB (JULY 27<sup>th</sup> – 31<sup>st</sup>, 2015)**

**This took place on the five mornings of this week, despite fewer helpers. The theme was WOW! covering five of the miracles performed by Jesus, one being described each day. It was well-attended, with around 45 -50 coming each day. Unfortunately there was one morning when a note had to go up saying no more children could be taken that day, because of lack of help. Many staff are obviously becoming older, so we require some younger, more vibrant volunteers to join us!**

**The format was pretty much the same as before, apart from no drama this time, though there were sketches with puppets. The children had games, craft activities, cooking, stories and the perennial, much-loved water game on the last day!**

**The music this year was a rap about gaining strength and help from Jesus, with the lyrics composed by Ann Taylor and performed along with the children by the Wesley Methodist Minister, Marie Atwood, complete with her cap worn backwards!!**

**The Club was a success and there will be another HBC afternoon during half term in October. Do any of you feel compelled to help with this – once you come along, we know you will thoroughly enjoy it?!**
