The Kingdom Kit – helping families pray together.

Have you clocked that half term for many schools this year falls between Ascension and Pentecost?

Why not take the opportunity to pray together as a family as part of Thy Kingdom Come?

It's a lovely chance to take time to pray together as a family without rushing off to clubs and school commitments.

We'd like to introduce the amazing Kingdom Kit – to help families pray at home together. This will guide you and your family with a daily prayer prompt and activity.

The pack includes everything you need, from mustard seeds and keyrings, to balloons, smarties and bookmarks – and of course, prayers!

Also available is our family creative prayer journal and the Thy Kingdom Come 'Bright Prayer Ideas for Families at Home' resource.

Do you know a family who'd love to get involved? Tag them in the comments.
